**Game cancellations:** Check the web-site for game cancellation information. We play in light rain unless it will damage the field; lightning ends any game or practice.

**Rules:** The first team listed is the home team and must wear a yellow pinnie over their jersey. The children will do throw-ins. They use a number 4 ball. We play 6 per side including the keeper. The referee is the boss (so be curious), and will tell the kids what to do when there is an infraction, or when the ball goes out of play. If the ball is kicked over the goal line (but not into the goal) by the attacking team, then a goal kick is taken by the defending team (ball is in play when it clears the penalty box). If it is the defending team that kicks the ball across the goal line (but not into the goal), then the attacking team gets a corner kick. All other out-of-bounds plays are thrown into play from where the ball went out (both hands, even motion from behind the head, both feet remain on the ground). Off-sides will not be strictly enforced (depends on the referee) unless teams "cherry-pick".
